REQUEST FOR REFUND

Dear Sir:

On May 24, 2005 an incorrect charge was posted to account no. 11-0260 in the amount of \$400 for four (4) extra dependent claims for a large entity status. The correct fee should have been \$100, four (4) extra dependent claims for a small entity as evidenced by the Examiner's notes (please see attached). Please refund \$300 back to deposit account No. 11-0260.

Respectfully submitted,

additional claims (four more than previously paid for) and authorized the following examiner's amendment¹. Examiner's Amendment

Amendments to the Claims

Cancel the non-elected claims 17-28.

Rewrite claim 2 as shown below.

Claim 2. (Currently amended) The composition of claim 1, wherein said calcium channel blocker is 3,5-pyridinedicarboxylic acid, 1,4-dihydro-2,6-dimethyl-4-(2-nitrophenyl)-dimethyl ester, which has the chemical formula of $C_{17}H_{18}N_2O_6$:

Amend claims 7 and 16 as follows².

Claim 7, line 3: delete "nimorazoe" and insert --- nimorazole ---.

Claim 7, line 4: delete "hentamycin,".

Claim 7, last line: delete "clindamycin, chloramphicol" and insert
--- chloramphenicol ---.

 ¹ Applicant already paid for 28 claims. Upon the entry of the Examiner's Amendment, there will be 32 claims pending and allowed. Hence, a fee for four additional claims must be paid. As a small entity, the fee is $4 \times \$25 = \100 .

² Claim 7 contains a misspelling for nimorazole and recites clindamycin twice. Claim 7 also contains a misspelling for chloramphenicol (note the correct spelling in claim 6, last line).
